

REMARKS

In the present Amendment, Applicants have canceled the previous Abstract and added a new Abstract. Applicants submit that the new Abstract adds no new matter but is rather fully supported by the application as filed.

Applicants submit for review a new Information Disclosure Statement and copies of two previously submitted Information Disclosure Statements that were not initialed by the Examiner. Applicant respectfully requests that the Examiner make the cited references of all three Information Disclosure Statements of record in the above-identified application and send the Applicants signed and initialed forms showing all of the references have been considered.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,
